NOTES.

File No. 170

FILE HEADING.

Subject No. 331 of the R. A. Proceedings re cession of District Jungles to the Mysore Palace Cattle Depôt.

From

The Deputy Commr., Mysore Distt.

No. 8 Dated 10.8.07 Received 15.8.07

Diary No. 873 | Enclos. 1 file + 2 maps | Spare Copies. — | Serial No. 2

BRIEF ABSTRACT OF LETTER.

Submits the records relating to the subject; states that the cattle of 22 villages which depend upon the two bits of District jungle now in the possession of the Palace Cattle Depôt., will be put to inconvenience in the matter of grazing if the blocks are formed into a State Forest.

NOTES AND ORDERS.

The Dy. Commr's proposals are that the Hardenhalli Distt Forests should be divided into three blocks. Eastern block as marked on the Survey map to be declared a State Forest. Southern portion to be allotted to the Villagers and the

NOTES—First sheet.

MGCPB—30,000—17 2-05.

Serial No.

western portion to be given to the Palace. In this last portion rights should be allowed free user for agricultural purposes. —

The whole of the Forest was made over to the Palace in 1904 for a period of 5 years. The period Expires at the end of 1909.

The matter relates to the representation made in the Dasara Meeting of 1905.

The same question was mooted at the Meeting of 1906, when the representatives were informed that their request could not be granted as the tract was placed at the disposal of the Palace Deptt.

There have been several petitions since then on the subject.

The Conservator of Forests has not sent up any proposal for constituting the area into a State Forest. — The proposals of the Dy. Commr. may be sent to the Resr. Commr for opinion

U.O. No. 16

14.11.07

The Haradanahalli District Forest measuring 4445 and odd acres including the Hongalvadi Special tract of 81 acres had been placed at the disposal of the Amrit Mahal Department in 1901 for training and selling the Amrit Mahal bulls. This Scheme having been given up, the control of the Forest is stated to have been resumed by the Forest Department in August 1903. In December 1904, the grazing rights in the said tract were conceded to the Palace Department for a period of 5 years, as the Palace cattle were badly in need of grazing lands. Since then there have been several complaints from the ryots of the villages in the neighbourhood of the insufficiency of grazing lands for their cattle and of the difficulties in getting wood, thorns, leaves &c for their domestic and agricultural purposes and this question was also brought for discussion at the Dasara Representative Assembly of 1905 and 1906. The question of reserving the tract as a State Forest, chiefly with the object of protecting the Sandal trees is understood to be also under the consideration of the Forest Department.

In order to meet the requirements of the ryots of the Forest and the Palace Departments, the Deputy Commissioner proposes to divide the Forest into three portions, that which

NOTE—Contn. sheet

GPB—40,000—12 5-06

Ft. 170-05

~~which~~ lying to the east of the Honnuhole river being reserved as State Forest, the portion west of the river and north of the Atkulipur village being assigned to the Palace cattle and the two bits of land lying west, south and south-east of Atkulipur village being set apart for the use of the 22 villagers who are reported to have [redacted] mainly depended upon this forest for their requirements. He also suggests that the ryots should be allowed to remove firewood &c., from the portion to be assigned to the Palace Department.

The extent of each of the three portions into which the forest is proposed to be divided is not stated. But it will be seen from the map, that the extent of lands proposed to be given for the use of the villagers will not be more than 500 acres.

With a view to ascertain the probable requirements of the villagers, I got [redacted] statement (enclosed) prepared shewing the Statistics of the 22 villages referred to by the Deputy Commissioner. It will be seen therefrom that the extent of the assessed occupied lands of 17 out of the 22 villages comes to 16635 acres and that the number of cattle of the 22 villages amounts to 20907, whereas the extent of gomal and kharab lands

1687-16 -----gomal
2063-25 -----kharab

available for grazing purposes is only 3750 and odd acres which is

F.170-08

is far below the prescribed minimum.

It may be stated here that besides these 22 villages, there are probably other villages which may claim similar rights in the same District Jungle as the villages of Diddepura and Venkatapura mentioned by the representative members (vide Govt. reply to subject No. 331 of 1906) are not included in the 22 villages referred to by the Deputy Commissioner and this requires therefore further investigation.

On a careful consideration of the interests of all the parties concerned, I think that the Deputy Commissioner's proposals are very reasonable and may be given effect to, if there be no objection to modify the Government Proceedings No. R.5115-17 dated 10th December 1904 before the expiry of the period of 5 years for which the District Forest ~~has~~ was placed at the disposal of the Palace Department.

OFFICE OF THE CONSERVATOR OF FORESTS, SOUTHERN CIRCLE, MYSORE.
Rec'd No. 24.6.16
Date 30.11.07

To U.O. No. 24 dated 18.1.1908.

The proposals of the Dy Commissioner seem to be fair to every one concerned. The Palace cattle dept and the villagers will get large extents of lands to which they have no legitimate claim, while the interests of the Forest Dept will be secured by the addition of two blocks viz:—

(1). The portion of the Hardankalli Dist Jungle lying to the east of the Hunsur inclusive of Beckinkall Hungalvadi.

(2) Hardankalli dist Jungle. Block II.

R A proc of 3 1905

Sub. No 331 (Mysore Sy)

A large extent of forest land hitherto included in the district forest and used by the Raiyats of Ramasamudra, Basavapura, Kurinanjipura, Hebsur, Dudaballi, Arlipura and other surrounding villages for grazing cattle and procuring wood for agricultural implements has all been ceded to the Amrut Mahal Department. The people of these villages are now without pasture for their cattle and without any means of getting the required agricultural implements.

Deputy Commissioner's office
Myaungdaik
Pakokku Myaung 10th August 1907

To

The Extra Assistant to the B.A.,
Offg Secretary to the Government of Upper
General and Revenue Department.

Sir,

With reference to your letter No.
8281 of the 12th March and No. 23
3rd Jan 1907 and the previous Correspondence
Calling for a report on subject No. 3 of
the Upper Burma Township Assembly of 1905 relating to the Breach of certain District
Jungles in the Chaungzauggan Valley
to the Amirit Mahal Department, I have
the honour to State as follows:-

2. On receipt of the first requisition
the Revenue Sub Divisional officer Myaungdaik
and the District Forest officer, Myaung district
were both addressed on the subject. The
District Forest officer submitted his report
first and upon that report this office letter
No 495 of the 12th January 1907 was addressed.

3. The Revenue Sub Division officer's Com-
munication which does not forward the
views,

of the Forest Department has since been received and I reserved forming any opinion thereon until I was in possession of all the circumstances of the case.

4. In the early part of 1901 when there was a scheme to train and sell Amrith Mahal bulls at the Santemaranahalli fair, the Military Assistant in Communication with the Amildar ascertained the existence of the two blocks of disturbed jungle within the limits of the Chamarajanagar Taluk and moved Government to place the Nastive of those jungles at his disposal. The Government temporarily placed the Nandoo at the disposal of the Amrit Mahal Department and Amrit Mahal bullocks were kept there for some time, a large no: were sold and afterwards the depôt was abolished and the bullocks were removed elsewhere.

Go. No. 2001-3 dt 8.3.07
R. 2430
(Ft. 79-1900-8/no.6)
Flag V

5. When the Amrit Mahal Department finished their work, the jungle should have been handed back to the Amildar of Chamarajanagar but circumstances so intervened, that there was necessity to find grazing ground for the Palace Cattle and

and the jungles were given to the Palace Department for a period of five years until that period of years according to a close, and we have one at present in the charge of that Department.

6. The Palace Department took some of their annual income to the restoration of extracted Teak in the Nagamangala Taluk and it returned therefore the palace Cattle are grazing in the Hemavathi hall Dasteal Forest and the Government have reminded to themselves the question of the case of the term of the lease to the Palace Department work came to a close.

7. Taking advantage of the inner Hill tribes of the district, the adjoining villagers of the Bisle Forest have petitioned Government and have also taken up the subject before the Representative Assembly as a local question.

8. The Lessee has a number of Hill tribes, that belong to villages with large heads of Cattle mainly depend upon these hills of Bisle Forest for their pasture and agricultural requirements, and if these jungles were taken away from them, the

the Cattle will also have been minimised. The question of Sandal reservation does not arise as most part of the jungle [illegible] continues to be under the supervision of Government and the blocks allotted for the year do not contain much of Sandal.

4. The file of papers on the subject is enclosed for further reference and favour of return.

I have the honour to be,
Sir
Your most obedient servant
